## Important Notice Regarding COVID 19 and Closure of Board Chambers to the Public During North San Joaquin Water Conservation District Board of Directors Meetings

Governor Newsom has therefore waived certain requirements of the Ralph M. Brown Act relating to public participation and attendance at public meetings.

Based on guidance from the California Department of Public Health and the California Governor's Officer, *effective immediately* and while social distancing measures are imposed, Board chambers will be closed to the public during the North San Joaquin Water Conservation District's Board of Directors Meetings.

In order to minimize the spread of the COVID 19 virus, the following options are available to members of the public to listen to these meetings and provide comments to the Board of Directors before and during the meeting:

1. You are strongly encouraged to listen to the North San Joaquin Water Conservation District's Board of Directors meetings by attending the zoom/ teleconference:
